

PROTOCOL 9

ON TRADE IN FISH

AND OTHER MARINE PRODUCTS

Article 1

1. Without prejudice to the provisions referred to in Appendix 1, the EFTA States shall upon entry into force of the Agreement abolish customs duties on imports and charges having equivalent effect on the products listed in Table I of Appendix 2.
2. Without prejudice to the provisions referred to in Appendix 1, the EFTA States shall apply no quantitative restrictions on imports or measures having equivalent effect on the products listed in Table I of Appendix 2. In this context the provisions of Article 13 of the Agreement shall apply.

Article 2

1. The Community shall, upon the entry into force of the Agreement, abolish customs duties on imports and charges having equivalent effect on the products listed in Table II of Appendix 2.
2. The Community shall reduce customs duties on the products listed in Table III of Appendix 2 progressively in accordance with the following timetable:
 - (a) on 1 January 1993 each duty shall be reduced to 86% of the basic duty;
 - (b) four further reductions of 14% each of the basic duty shall be made on 1 January 1994, 1 January 1995, 1 January 1996 and 1 January 1997.
3. The basic duties to which the successive reductions provided for in paragraph 2 are to be applied shall, for each product, be the duties bound by the Community under the General Agreement on Tariffs and Trade, or, where the duty is not bound, the autonomous duty on 1 January 1992. Should, after 1 January 1992, any tariff reductions resulting from the multilateral trade negotiations of the Uruguay Round become applicable, such reduced duties shall be used as the basic duties.

Whenever in the context of bilateral agreements between the Community and individual EFTA States reduced duties exist for certain products, those duties shall be considered as the basic duties for each of the EFTA States concerned.

4. The rates of duty calculated in accordance with paragraphs 2 and 3 shall be applied by rounding down to the first decimal place by deleting the second decimal.
5. The Community shall apply no quantitative restrictions on imports or measures having equivalent effect on the products listed in Appendix 2. In this context the provisions of Article 13 of the Agreement shall apply.

Article 3

The provisions of Articles 1 and 2 shall apply to products originating in the Contracting Parties. The rules of origin are set out in Protocol 4 of the Agreement.

Article 4

1. Aid granted through State resources to the fisheries sector which distorts competition shall be abolished.

2. Legislation relating to the market organisation in the fisheries sector shall be adjusted so as not to distort competition.
3. The Contracting Parties shall endeavour to ensure conditions of competition which will enable the other Contracting Parties to refrain from the application of anti-dumping measures and countervailing duties.

Article 5

The Contracting Parties shall take the necessary measures to ensure that all fishing vessels flying the flag of other Contracting Parties enjoy access equal to that of their own vessels to ports and first-stage marketing installations together with all associated equipment and technical installations.

Notwithstanding the provisions of the preceding paragraph, a Contracting Party may refuse landings of fish from a fish stock of common interest over the management of which there is serious disagreement.

Article 6

Should the necessary legislative adaptations not have been effected to the satisfaction of the Contracting Parties at the time of entry into force of the Agreement, any points at issue may be put to the EEA Joint Committee. In the event of failure to reach agreement, the provisions of Article 114 of the Agreement shall apply *mutatis mutandis*.

Article 7

The provisions of the agreements listed in Appendix 3 shall prevail over provisions of this Protocol to the extent they grant to the EFTA States concerned more favourable trade regimes than this Protocol.
