2. Cooperation shall also take place where:
  - (a) the concentration fulfils the criteria for referral pursuant to Article 6.
  - (b) an EFTA State wishes to adopt measures to protect legitimate interests as set out in Article 7.

## RIGHTS OF INDIVIDUAL STATES

### *Article 6*

1. The EC Commission may, by means of a decision notified without delay to the undertakings concerned, to the competent authorities of the EC Member States and to the EFTA Surveillance Authority, refer a notified concentration, in whole or in part, to an EFTA State where:
  - (a) a concentration threatens to affect significantly competition in a market within that EFTA State, which presents all the characteristics of a distinct market, or
  - (b) a concentration affects competition in a market within that EFTA State, which presents all the characteristics of a distinct market and which does not constitute a substantial part of the territory covered by the Agreement.
2. In cases referred to in paragraph 1, any EFTA State may appeal to the European Court of Justice, on the same grounds and conditions as an EC Member State under Articles 230 and 243 of the Treaty establishing the European Community, and in particular request the application of interim measures, for the purpose of applying its national competition law.
- 3.{2} Where the concentration may affect trade between one or more EC Member States and one or more EFTA States, the EC Commission shall inform the EFTA Surveillance Authority of any request received from an EC Member State pursuant to Article 22 of Regulation (EC) No 139/2004 without delay.

One or more EFTA States may join a request as referred to in subparagraph 1 where the concentration affects trade between one or more EC Member States and one or more EFTA States and threatens to significantly affect competition within the territory of the EFTA State or States joining the request.

Upon receipt of a copy of a request as referred to in subparagraph 1, all national time limits relating to the concentration shall be suspended in the EFTA States until it has been decided where the concentration shall be examined. As soon as an EFTA State has informed the Commission and the undertakings concerned that it does not wish to join the request, the suspension of its national time limits shall end.

---

{2} Paragraph 3 inserted by Decision No 79/2004 (OJ L 219, 19.6.2004, p. 24 and EEA Supplement No 32, 19.6.2004, p. 10), e.i.f. 1.7.2005.

Where the Commission decides to examine the concentration, the EFTA State or States having joined the request shall no longer apply their national legislation on competition to the concentration.

4. Prior to the notification of a concentration within the meaning of Article 4(1) of Regulation (EC) No 139/2004 the persons or undertakings referred to in Article 4(2) of Regulation (EC) No 139/2004 may inform the EC Commission, by means of a reasoned submission, that the concentration may significantly affect competition in a market within an EFTA State which presents all the characteristics of a distinct market and should therefore be examined, in whole or in part, by that EFTA State.

The EC Commission shall transmit all submissions pursuant to Article 4(4) of Regulation (EC) No 139/2004 and this paragraph to the EFTA Surveillance Authority without delay.

5. With regard to a concentration as defined in Article 3 of Regulation (EC) No 139/2004 which does not have a Community dimension within the meaning of Article 1 of that Regulation and which is capable of being reviewed under the national competition laws of at least three EC Member States and at least one EFTA State, the persons or undertakings referred to in Article 4(2) of that Regulation may, before any notification to the competent authorities, inform the EC Commission by means of a reasoned submission that the concentration should be examined by the Commission.

The EC Commission shall transmit all submissions pursuant to Article 4(5) of Regulation (EC) No 139/2004 to the EFTA Surveillance Authority without delay.

Where at least one such EFTA State has expressed its disagreement as regards the request to refer the case, the competent EFTA State(s) shall retain their competence, and the case shall not be referred from the EFTA States pursuant to this paragraph.

#### *Article 7*

1. Notwithstanding the sole competence of the EC Commission to deal with concentrations of a Community dimension as set out in Council Regulation (EC) No 139/2004, EFTA States may take appropriate measures to protect legitimate interests other than those taken into consideration according to the above Regulation and compatible with the general principles and other provisions as provided for, directly or indirectly, under the Agreement.

2. Public security, plurality of media and prudential rules shall be regarded as legitimate interests within the meaning of paragraph 1.

3. Any other public interest must be communicated to the EC Commission and shall be recognized by the EC Commission after an assessment of its compatibility with the general principles and other provisions as provided for, directly or indirectly, under the Agreement before the measures referred to above may be taken. The EC Commission shall inform the EFTA Surveillance Authority and the EFTA State concerned of its decision within 25 working days of that communication.

#### *Article 8*

1. When the EC Commission requires by decision a person, an undertaking or an association of undertakings located within the territory of the EFTA Surveillance Authority to supply information, it shall without delay forward a copy of the decision to the EFTA Surveillance Authority. At the specific request of the EFTA Surveillance Authority, the EC Commission shall also forward to the EFTA Surveillance Authority copies of simple requests for information relating to a notified concentration.
