The provisions of the Regulation shall, for the purposes of this Agreement, be read with the following adaptations:

- (a) The supervisory authorities of the EFTA States shall participate in the activities of the European Data Protection Board, hereinafter referred to as “the Board”. To that effect, they shall, but for the right to vote and to stand for election as chair or deputy chairs of the Board, have the same rights and obligations as supervisory authorities of the EU Member States in the Board, unless otherwise provided in this Agreement. The positions of the supervisory authorities of the EFTA States shall be recorded separately by the Board.

The rules of procedures of the Board shall give full effect to the participation of the supervisory authorities of the EFTA States and the EFTA Surveillance Authority with the exception of voting rights and to stand for election as chair or deputy chairs of the Board.

- (b) Notwithstanding the provisions of Protocol 1 to this Agreement, and unless otherwise provided for in this Agreement, the terms “Member State(s)” and “supervisory authorities” shall be understood to include, in addition to their meaning in the Regulation, the EFTA States and their supervisory authorities, respectively.

Each EFTA State shall decide and inform the Commission and the EFTA Surveillance Authority, before the entry into force of any implementing act adopted pursuant to paragraphs 3 or 5 of this Article, whether it, pending a decision by the EEA Joint Committee to incorporate the implementing act into the EEA Agreement, will apply the measures contained therein at the same time as the EU Member States or not. In the absence of a decision to the contrary, each EFTA State shall apply the measures contained in an implementing act adopted pursuant to paragraphs 3 or 5 of this Article at the same time as the EU Member States.

Notwithstanding Article 102 of the Agreement, if an agreement on the incorporation into the EEA Agreement of an implementing act adopted pursuant to paragraphs 3 or 5 of this Article cannot be reached in the EEA Joint Committee within twelve months of the entry into force of that implementing act, any EFTA State may discontinue the application of such measures and shall inform the Commission and the EFTA Surveillance Authority thereof without delay.

The other Contracting Parties to the EEA Agreement shall, by way of derogation from Article 1(3), restrict or prohibit the free flow of personal data to an EFTA State which does not apply the measures contained in an implementing act adopted pursuant to paragraph 5 of this Article in the same way as these measures prevent the transfer of personal data to a third country or an international organisation.”

- (f) Whenever the EU enters into consultations with third countries or international organisations with the aim of adopting an adequacy decision pursuant to Article 45, the EFTA States shall be kept duly informed. In cases where the third country or the international organisation undertakes specific obligations regarding the processing of personal data from the member states, the EU will take into account the situation of EFTA States and discuss with third countries or international organisation possible mechanisms for subsequent possible application by the EFTA States.
- (g) In Article 46(2)(d) the following shall be added:
