No new customs duties shall be introduced, nor shall those

already applied be increased in trade between the Parties from the entry into force of this Agreement, except as provided for in Article 1 of Protocol A.

2. A customs duty includes any duty or charge of any kind imposed in connection with the importation or exportation of a product, including any form of surtax or surcharge, but does not include any charge imposed in conformity with Articles III and VIII of the GATT 1994.

ARTICLE 15

The rights and obligations of the Parties in respect of state trading enterprises shall be governed by Article XVII of the GATT 1994 and the Understanding on the Interpretation of Article XVII of the GATT 1994, which are hereby incorporated into and made part of this Agreement.

2. Before Albania or an EFTA State, as the case may be, initiates an investigation to determine the existence, degree and effect of any alleged subsidy in Albania or in an EFTA State, as provided for in Article 11 of the WTO Agreement on Subsidies and Countervailing Measures, the Party considering initiating an investigation shall notify in writing the Party whose goods are subject to investigation and allow for a 45 day period with a view to finding a mutually acceptable solution. The consultations shall take place in the Joint Committee if any Party so requests within 20 days from the receipt of the notification.

ARTICLE 17

Anti-dumping

1. A Party shall not apply anti-dumping measures as provided for under Article VI of the GATT 1994 and the WTO Agreement on Implementation of Article VI of the GATT 1994 in relation to products originating in another Party.

2. The Parties recognise that the effective implementation of competition rules may address economic causes leading to dumping.

ARTICLE 18

Rules of Competition Concerning Undertakings

1. The following are incompatible with the proper functioning of this Agreement in so far as they may affect trade between Albania and an EFTA State:

- (a) all agreements between undertakings, decisions by associations of undertakings and concerted practices between undertakings which have as their object or effect the prevention, restriction or distortion of competition; and
- (b) abuse by one or more undertakings of a dominant position in the territory of a Party as a whole or in a substantial part thereof.

2. The provisions of paragraph 1 shall apply to the activities of public undertakings and undertakings for which the Parties grant special or exclusive rights, in so far as the application of these provisions does not obstruct the performance, in law or in fact, of the particular public tasks assigned to them.

3. The provisions of paragraphs 1 and 2 shall not be construed to create any direct obligations for undertakings.

4. If a Party considers that a given practice is incompatible with the provisions of paragraphs 1 and 2, the Parties concerned shall give to the Joint Committee all the assistance required in order to examine the case and, where appropriate, eliminate the practice objected to. If the Party concerned fails to put an end to the practice objected to within the period set by the Joint Committee, or if the Joint Committee fails to reach an agreement after consultations, or after thirty days following referral for such consultations, the other Party may adopt appropriate measures to deal with the difficulties resulting from the practice in question.

ARTICLE 19

General Safeguard Measures

The rights and obligations of the Parties in respect of general safeguards shall be governed by Article XIX of GATT 1994 and the WTO Agreement on Safeguards. In taking measures under these WTO provisions, a Party shall exclude imports of an originating product from one or several Parties if such imports do not in and of themselves cause or threaten to cause serious injury. The Party taking the measure shall demonstrate that such exclusion is in accordance with WTO jurisprudence.

ARTICLE 20

Bilateral Safeguard Measures

1. Where, as a result of the reduction or elimination of a customs duty under this Agreement, any product originating in a Party is being imported into the territory of another Party in such increased quantities, in absolute terms or relative to domestic production, and under such conditions as to constitute a substantial cause of serious

injury or threat thereof to the domestic industry of like or directly competitive products in the territory of the importing Party, the importing Party may take bilateral safeguard measures to the minimum extent necessary to remedy or prevent the injury, subject to the provisions of paragraphs 2 to 10.

2. Bilateral safeguard measures shall only be taken upon clear evidence that increased imports have caused or are threatening to cause serious injury pursuant to an investigation in accordance with the procedures laid down in the WTO Agreement on Safeguards.

3. The Party intending to take a bilateral safeguard measure under this Article shall immediately, and in any case before taking a measure, make notification to the other Parties and the Joint Committee. The notification shall contain all pertinent information, which shall include evidence of serious injury or threat thereof caused by increased imports, a precise description of the product involved and the proposed measure, as well as the proposed date of introduction, expected duration and timetable for the progressive removal of the measure. A Party that may be affected by the measure shall be offered compensation in the form of substantially equivalent trade liberalisation in relation to the imports from any such Party.

4. If the conditions set out in paragraph 1 are met, the importing Party may take measures consisting in increasing the rate of customs duty for the product to a level not to exceed the lesser of:

- (a) the MFN rate of duty applied at the time the action is taken; or
- (b) the MFN rate of duty applied on the day immediately preceding the date of the entry into force of this Agreement.

5. Bilateral safeguard measures shall be taken for a period not exceeding one year. In very exceptional circumstances, after review by the Joint Committee, measures may be taken up to a total maximum period of three years. No measure shall be applied to the import of a product which has previously been subject to such a measure.

6. The Joint Committee shall within 30 days from the date of notification examine the information provided under paragraph 3 in order to facilitate a mutually acceptable resolution of the matter. In the absence of such resolution, the importing Party may adopt a measure pursuant to paragraph 4 to remedy the problem, and, in the absence of mutually agreed compensation, the Party against whose product the measure is taken may take compensatory action. The bilateral safeguard measure and the compensatory action shall be immediately notified to the other Parties and the Joint Committee. In the selection of the bilateral safeguard measure and the compensatory action, priority must be given to the measure which least disturbs the functioning of this Agreement. The compensatory action shall normally consist of suspension of concessions having substantially equivalent trade effects or concessions substantially equivalent to the value of the additional duties expected to result from the bilateral safeguard measure. The Party taking compensatory action shall apply the action only for the minimum period

necessary to achieve the substantially equivalent trade effects and in any event, only while the measure under paragraph 4 is being applied.

7. Upon the termination of the measure, the rate of customs duty shall be the rate which would have been in effect but for the measure.

8. In critical circumstances, where delay would cause damage which would be difficult to repair, a Party may take a provisional emergency measure pursuant to a preliminary determination that there is clear evidence that increased imports constitute a substantial cause of serious injury, or threat thereof, to the domestic industry. The Party intending to take such a measure shall immediately notify the other Parties and the Joint Committee thereof. Within 30 days of the date of the notification, the procedures set out in paragraphs 2 to 6, including for compensatory action, shall be initiated. Any compensation shall be based on the total period of application of the provisional emergency measure and of the emergency measure.

9. Any provisional measure shall be terminated within 200 days at the latest. The period of application of any such provisional measure shall be counted as part of the duration of the measure set out in paragraph 5 and any extension thereof. Any tariff increases shall be promptly refunded if the investigation described in paragraph 2 does not result in a finding that the conditions of paragraph 1 are met.

10. Five years after the date of entry into force of this Agreement, the Parties shall review in the Joint Committee whether there is need to maintain the possibility to take safeguard measures between them. If the Parties decide, after the first review, to maintain such possibility, they shall thereafter conduct biennial reviews of this matter in the Joint Committee.

ARTICLE 21

General Exceptions

The rights and obligations of the Parties in respect of general exceptions shall be governed by Article XX of the GATT 1994, which is hereby incorporated into and made part of this Agreement.

ARTICLE 22

Security Exceptions

The rights and obligations of the Parties in respect of security exceptions shall be governed by Article XXI of the GATT 1994, which is hereby incorporated into and made part of this Agreement.

ARTICLE 23

Protection of Intellectual Property

1. The Parties shall grant and ensure adequate, effective and non-discriminatory protection of intellectual property rights, and provide for measures for the enforcement of such rights against infringement thereof, counterfeiting and piracy, in accordance with the provisions of this Article, Annex V and the international agreements referred to therein.
2. The Parties shall accord to each other's nationals treatment no less favourable than that they accord to their own nationals. Exemptions from this obligation must be in accordance with the substantive provisions of Articles 3 and 5 of the WTO Agreement on Trade-Related Aspects of Intellectual Property Rights (hereinafter referred to as "the TRIPS Agreement").
3. The Parties shall grant to each other's nationals treatment no less favourable than that accorded to nationals of any other State. Exemptions from this obligation must be in accordance with the substantive provisions of the TRIPS Agreement, in particular Articles 4 and 5 thereof.
4. The Parties agree, upon request of any Party to the Joint Committee, to review the provisions on the protection of intellectual property rights contained in the present Article and in Annex V, with a view to further improving the level of protection they provide for and to avoiding or remedying trade distortions caused by actual levels of protection of intellectual property rights.

**CHAPTER 4 INVESTMENT, SERVICES AND GOVERNMENT
PROCUREMENT**

ARTICLE 24

Investment

1. The Parties shall endeavour to provide in their territories stable, equitable and transparent investment conditions for investors of the other Parties that are making or seeking to make investments in their territories.
2. The Parties shall admit investments by investors of the other Parties in accordance with their laws and regulations. They recognise that it is inappropriate to encourage investment by relaxing health, safety or environmental standards.
3. The Parties recognise the importance of promoting investment and technology flows as a means for achieving economic growth and development. Co-operation in this respect may include:
 - (a) appropriate means of identifying investment opportunities and information channels on investment regulations;
 - (b) exchange of information on measures to promote investment abroad; and
 - (c) the furthering of a legal environment conducive to increased investment flows.
4. The Parties affirm their commitment to review issues related to investment in the Joint Committee no later than five years after the entry into force of this Agreement, including the right of establishment of investors of one Party in the territory of another Party.
5. Albania, on the one part, and Iceland, the Principality of Liechtenstein, and the Swiss Confederation, on the other, shall refrain from arbitrary or discriminatory measures regarding investments by investors of another Party mentioned in this paragraph and shall observe any obligation they have entered into with regard to a specific investment by an investor of another Party mentioned in this paragraph.

ARTICLE 25

Trade in Services

1. The Parties shall aim at achieving gradual liberalisation and the opening of their markets for trade in services in accordance with the provisions of the General Agreement on Trade in Services (hereinafter referred to as “the GATS”), taking into account ongoing work under the auspices of the WTO.
2. If a Party grants to a non-Party, after the entry into force of this Agreement, additional benefits with regard to the access to its services markets, it shall afford adequate opportunities for negotiations with a view to extending these benefits to another Party on a reciprocal basis.
3. The Parties undertake to keep under review paragraphs 1 and 2 with a view to establishing an agreement on liberalisation of trade in services in accordance with Article V of the GATS.

ARTICLE 26

Government Procurement

1. The Parties shall enhance their mutual understanding of their government procurement laws and regulations with a view to progressively liberalising their respective procurement markets on the basis of non-discrimination and reciprocity.
2. In order to improve transparency, the Parties shall publish their laws, or otherwise make publicly available their laws, regulations and administrative rulings of general application as well as their respective international agreements that may affect their procurement markets. The Parties shall promptly respond to specific questions and provide, upon request, information to each other on matters referred to in this paragraph.
3. If a Party grants to a non-Party, after the entry into force of this Agreement, additional benefits with regard to the access to its procurement markets, it shall agree to enter into negotiations with a view to extending these benefits to another Party on a reciprocal basis.

CHAPTER 5

PAYMENTS AND CAPITAL MOVEMENTS

ARTICLE 27

Payments for Current Transactions

Subject to the provisions of Article 29, the Parties undertake to allow all payments for current transactions to be made in a freely convertible currency.

ARTICLE 28

Capital Movements

1. The Parties shall ensure that capital for investments made in companies formed in accordance with their laws, any returns stemming therefrom, and the amounts resulting from liquidations of investments are freely transferable.
2. The Parties shall hold consultations with a view to facilitating the movement of capital between Albania and the EFTA States and achieve its complete liberalisation as soon as conditions permit.

ARTICLE 29

Balance of Payments Difficulties

Where Albania or an EFTA State is in serious balance of payments difficulties, or under threat thereof, Albania or the EFTA State concerned, respectively, may, in conformity with the conditions laid down within the framework of the GATT and in Articles VIII and XIV of the Statutes of the International Monetary Fund, take restrictive measures with regard to current payments if such measures are strictly necessary. Albania or the EFTA State concerned, as the case may be, shall inform the other Parties immediately of such measures and shall provide as soon as possible a timetable for their removal.

ARTICLE 30

Clarifications

It is understood that the obligations stated in this Chapter are without prejudice to the equitable, non-discriminatory and good faith application of measures pursuant to court orders or judgements and administrative proceedings. It is also understood that the right of an investor to freely transfer amounts in relation to his investment is without prejudice to any fiscal obligation such an investor may have.

The Party requesting consultations shall at the same time notify the other Parties in writing thereof and supply all relevant information.
3. The consultations shall take place in the Joint Committee if any of the Parties so requests within 20 days from the receipt of the notification referred to in paragraph 2, with a view to finding a commonly acceptable solution. If the Party to which a request in accordance with paragraph 2 or this paragraph is made does not reply within ten days or does not enter into consultations within 20 days after receipt of the request, the Party making the request is entitled to request the establishment of an arbitration panel in accordance with Article 43.⁶

ARTICLE 43

Arbitration

1. Disputes between the Parties relating to the interpretation of rights and obligations under this Agreement, which have not been settled through direct consultations or in the Joint Committee within 60 days from the date of the receipt of the request for consultations, may be referred to arbitration by the complaining Party by means of a written notification addressed to the Party complained against. A copy of this notification shall be communicated to all other Parties so that each of those Parties may determine whether to participate in the dispute.
2. Where more than one Party requests the establishment of an arbitration panel relating to the same matter, a single arbitration panel may, whenever feasible, be established to consider such disputes.⁷

⁶ As amended by the *Protocol amending the Free Trade Agreement between the Republic of Albania and the EFTA States*, signed on 18 September 2015 and entered into force on 1 June 2017

⁷ For the purpose of this Chapter, the terms "Party" and "party to the dispute" are used regardless of whether two or more Parties are involved in a dispute.

3. A Party that is not a party to the dispute shall be entitled, on delivery of a written request to the parties to the dispute, to make written submissions to the arbitration panel, receive written submissions, including annexes, from the parties to the dispute, attend hearings and make oral statements.

4. The arbitration panel shall comprise three members. In its written notification pursuant to paragraph 1 of this Article the Party referring the dispute to arbitration shall designate one member, who may be its national or resident. Within 30 days from the receipt of the notification referred to in paragraph 1 of this Article, the Party to which it was addressed shall, in turn, designate one member, who may be its national or resident.

5. Within 60 days from the receipt of the notification referred to in paragraph 1 of this Article, the two members already designated shall agree on the designation of a third member. The third member shall not be a national of either party to the dispute, nor permanently reside on the territory of either party to the dispute. The member thus appointed shall be the President of the arbitration panel.

6. If all three members have not been designated or appointed within 60 days from the receipt of the notification referred to in paragraph 1, either party to the dispute may request the Secretary-General of the Permanent Court of Arbitration at the Hague to designate an appointing authority.

7. The arbitration panel shall examine the matter referred to it in the request for the establishment of an arbitration panel in light of the provisions of this Agreement applied and interpreted in accordance with the rules of interpretation of public international law. The award of the arbitration panel shall be final and binding upon the parties to the dispute.

8. Unless otherwise specified in this Agreement or agreed between the parties to the dispute, the Optional Rules for Arbitrating Disputes between Two States of the Permanent Court of Arbitration (PCA), effective 20 October 1992, shall apply.

ARTICLE 44

Implementation of the Award

1. The Party concerned shall promptly comply with the award of the arbitration panel. If it is impracticable to comply immediately, the parties to the dispute shall endeavour to agree on a reasonable period of time to do so. In the absence of such agreement within 30 days from the date of the award, either party to the dispute may, within 10 days from the expiration of such period, request the original arbitration panel to determine the length of the reasonable period of time.

2. The Party concerned shall notify the other party to the dispute of the measure adopted in order to implement the award.

3. If the Party concerned fails to comply with the award within a reasonable period of time and the parties to the dispute have not agreed on any compensation, the other party to the dispute may, until the award has been properly implemented or the dispute has been otherwise resolved, and subject to a prior notification of 30 days, suspend the application of benefits granted under this Agreement, but only equivalent to those affected by the measure that the arbitration panel has found to violate this Agreement.

4. Any dispute regarding the implementation of the award or the notified suspension shall be decided by the arbitration panel upon request of either party to the dispute before compensation can be sought or suspension of benefits can be applied. The arbitration panel may also rule on the conformity with the award of any implementing measures adopted after the suspension of benefits and whether the suspension of benefits should be terminated or modified. The ruling of the arbitration panel under this paragraph shall normally be given within 45 days from the date of receipt of the request.
