### TARIFF CONCESSIONS ON AGRICULTURAL PRODUCTS

#### COSTA RICA AND ICELAND

##### Section 1 – Concessions by Costa Rica

1. Costa Rica shall grant tariff concessions to agricultural products originating in Iceland, as specified in this Section.
2. The following staging categories listed in Table 1 to this Section, shall apply to imports from Iceland, according to the tariff concessions given by Costa Rica:
  - (a) duties on goods listed under category “T” in Costa Rica’s Schedule shall be abolished and such goods shall be duty-free on the date of entry into force of this Agreement;
  - (b) duties on goods listed under category “5” in Costa Rica’s Schedule shall be removed in five equal annual stages beginning on the date of entry into force of this Agreement and such goods shall be duty-free, effective on 1 January of year five;
  - (c) duties on goods listed under category “10” in Costa Rica’s Schedule shall be removed in ten equal annual stages beginning on the date of entry into force of this Agreement and such goods shall be duty-free, effective on 1 January of year 10;
  - (d) duties on goods listed under category “15” in Costa Rica’s Schedule shall be removed in fifteen equal annual stages beginning on the date of entry into force of this Agreement and such goods shall be duty-free, effective on 1 January of year 15.
3. For the purposes of this Section, year one means the year this Agreement enters into force as provided for in Article 13.6.
4. For the purposes of this Section, beginning in year two, each annual stage of tariff reduction shall become effective on 1 January of the relevant year.
5. The base rate of the import duty for goods, to which the successive reductions set out in this Section are to be applied, shall be the Most-Favoured Nation rate of the duty applied by Costa Rica on 1 January 2012.
6. If at any moment after the date of entry into force of this Agreement, Costa Rica reduces its applied Most-Favoured Nation duty on imports, that import duty shall apply if it is lower than the import duty calculated in this Section.

## Section 2 - Concessions by Iceland

The following terms and conditions shall apply to the tariff concessions granted by Iceland on agricultural products in Table 1 to this Section:

1. Iceland shall apply for Costa Rica the customs duties as set out in column 5.
2. For originating products classified under the tariff lines identified as “PAP” (Processed Agricultural Products) in column 4, the following provisions shall apply:
  - (a) In order to take account of differences in the cost of the agricultural raw materials incorporated into products identified as processed agricultural products (“PAP”), the Agreement does not preclude the levying, upon import, of a duty, unless otherwise specified in column 5 in Table 1 to this Section.
  - (b) Duties levied by the Parties upon import, shall be based on, but not exceed, the differences between the domestic price and the world market price of the agricultural raw materials incorporated into the products concerned.
  - (c) Subject to the provisions laid down in paragraph 2 (a) and (b), Iceland shall accord for products identified as PAP, originating in Costa Rica, treatment no less favourable than that accorded to the European Union.
  - (d) Iceland shall publish the applicable import duties for processed agricultural products on the web site of the EFTA Secretariat.
