Section 2 - Concessions by Liechtenstein/Switzerland

The following terms and conditions shall apply to the tariff concessions granted by Switzerland on agricultural products in Table 1 to this Section:

1. Switzerland shall apply for Panama the customs duties as set out in column 3 or 4.
2. For originating products classified under the tariff lines identified as “PAP” (Processed Agricultural Products) in column 6, the following provisions shall apply:
 - (a) In order to take account of differences in the cost of the agricultural raw materials incorporated into products identified as processed agricultural products (“PAP”), the Agreement does not preclude the levying, upon import, of a duty, unless otherwise specified in column 3 in Table 1 to this Section.
 - (b) Duties levied by the Parties upon import, shall be based on, but not exceed, the differences between the domestic price and the world market price of the agricultural raw materials incorporated into the products concerned.
 - (c) Subject to the provisions laid down in paragraph 2 a) and b), Switzerland shall accord for products identified as PAP, originating in Panama, treatment no less favorable than that accorded to the European Union.
 - (d) Switzerland shall publish the applicable import duties for processed agricultural products on the Website of the EFTA Secretariat.
