- (a) the levying, upon import, of a fixed duty;
- (b) the application of measures adopted upon export.

2. The fixed duties, levied upon import, shall be based on, but not exceed, the differences between the domestic price and the world market price of the agricultural raw materials incorporated into the products concerned.

Article 2

1. For products originating in Chile listed in the Table, Iceland, Liechtenstein/Switzerland and Norway, respectively, shall accord the concessions indicated therein.

2. ¹ As amended by Joint Committee Decision No. 1 of 2008 (8 April 2008), which entered into force on 1 October 2010.

Article 4

Article 5

The EFTA States and Chile shall review periodically the development of their trade in products covered by this Annex. In the light of these reviews and taking into account the arrangements in the WTO, the EFTA States and Chile shall decide on possible changes to the product coverage of this Annex, as well as on a possible development of the measures applied under Article 1 of this Annex.
