

Agreement on Agriculture
Between the Kingdom of Norway and Bosnia and Herzegovina

ARTICLE 1

Scope and Coverage

1. This Agreement concerning trade in agricultural products between the Kingdom of Norway (hereinafter referred to as “Norway”) and Bosnia and Herzegovina is concluded further to the Free Trade Agreement between the EFTA States and Bosnia and Herzegovina (hereinafter referred to as “the Free Trade Agreement”), which was signed on 24 June 2013, and in particular pursuant to paragraph 2 of Article 7 of the Free Trade Agreement.
2. This Agreement applies to trade between the Parties relating to agricultural products:
 - (a) classified in Chapters 1 through 24 of the Harmonized Commodity Description and Coding System (hereinafter referred to as "the HS") and not included in Annex II and Annex III to the Free Trade Agreement; and
 - (b) covered by Annex I referred to in subparagraph 1(a) of Article 7 of the Free Trade Agreement.

ARTICLE 2

Tariff Concessions

1. Norway shall grant tariff concessions to agricultural products originating in Bosnia and Herzegovina as specified in Annex 1 subject to the condition that no export subsidies be paid for exports of these products by Bosnia and Herzegovina.
2. Bosnia and Herzegovina shall grant tariff concessions to agricultural products originating in Norway as specified in Annex 2 subject to the condition that no export subsidies be paid for exports of these products by Norway.

ARTICLE 3

Rules of Origin and Administrative Cooperation

1. Article 8 of the Free Trade Agreement shall apply to this Agreement, *mutatis mutandis*, except as provided for in paragraph 2.

2. For the purposes of this Agreement, only bilateral cumulation is allowed between the Parties.

ARTICLE 4

Dialogue

The Parties shall examine any difficulties that might arise in their trade in agricultural products and shall endeavour to seek appropriate solutions.

ARTICLE 5

Further Liberalisation

The Parties undertake to continue their efforts with a view to achieving further liberalisation of their trade in agricultural products, taking account of the pattern of such trade between them, the particular sensitivities of such products, and the development of the agricultural policies on either side. At the request of either Party, the Parties shall consult to achieve this objective, including through improvements in market access by reduction or elimination of customs duties on agricultural products and through extension of the scope of agricultural products covered by this Agreement.

ARTICLE 6

WTO Agreement on Agriculture

The Parties confirm their rights and obligations under the WTO Agreement on Agriculture, except for export subsidies as referred to in paragraphs 1 and 2 of Article 2 of this Agreement.

ARTICLE 7

Provisions of the Free Trade Agreement

The provisions on Territorial Application (Article 4), Relations to Other International Agreements (Article 3), Central, Regional and Local Government (Article 5), Transparency (Article 6), Quantitative Restrictions (Article 11), Internal Taxation and Regulations (Article 12), Sanitary and Phytosanitary Measures (Article 13), Technical Regulations (Article 14), Trade Facilitation (Article 15), State Trading Enterprises (Article 17), Anti-dumping (Article 20), Bilateral Safeguard Measures (Article 22), Exceptions (Article 24), Payments for Current Transactions (Article 29), Balance of Payments Difficulties (Article 31), Fulfilment of Obligations (Article 47), Amendments (Article 50) as well as Chapter VIII on Dispute Settlement of the Free Trade Agreement shall apply, *mutatis mutandis*, between the Parties to this Agreement.

ARTICLE 8

Agricultural Safeguard Measures

1. Where, as a result of the reduction or elimination of a customs duty under this Agreement, an agricultural product originating in a Party is being imported into the territory of the other Party in such increased quantities, in absolute terms or relative to domestic production, or at such reduced prices in the importing Party, so as to constitute a substantial cause of serious injury or threat thereof to the domestic industry of like or directly competitive products in the territory of the importing Party, the importing Party may take safeguard measures to the minimum extent necessary to remedy or prevent the injury.
2. A safeguard measure shall not be taken for a period exceeding one year and may consist of:
 - (a) increasing the rate of customs duty for the product to a level not exceeding the MFN rate of duty applied at the time the measure is taken; or
 - (b) introducing a tariff quota for preferential trade, based on historical trade volumes of the five preceding years, excluding the import surge volumes that necessitated the introduction of the safeguard measure.
3. The Party intending to take a safeguard measure on an agricultural product shall immediately, and in any case before taking a measure, make notification to the other Party. Within 60 days from the date of notification, the notifying Party shall provide all pertinent information concerning the safeguard measure. On request, that Party shall consult with the affected Party on the conditions of application of the measure.
4. Within five years after the date of entry into force of this Agreement the Parties shall review this Article and assess whether any modifications are required.

ARTICLE 9

Entry into Force and Termination

1. This Arrangement shall enter into force on the same date as the Free Trade Agreement enters into force between Norway and Bosnia and Herzegovina. It shall remain in force as long as the Free Trade Agreement remains in force between them.
2. This Agreement shall be terminated if a Party withdraws from the Free Trade Agreement, in which case this Agreement shall be considered terminated on the same date the withdrawal from the Free Trade Agreement takes effect.

IN WITNESS WHEREOF the undersigned, being duly authorised thereto, have signed this Agreement.

Done at Trondheim, this 24th day of June 2013, in two originals.

For the Kingdom of Norway

For Bosnia and Herzegovina
