PROTOCOL C

concerning the treatment that may be applied by
Liechtenstein and Switzerland

to imports of certain products subject to
the scheme for building up compulsory reserves

Liechtenstein and Switzerland may subject to a scheme of compulsory reserves
products which are indispensable for the survival of the population, and in the case of
Switzerland for the army, in times of serious supply shortages and the production of which in
Liechtenstein and Switzerland is insufficient or non-existent and the characteristics and nature
of which enable reserves to be built up.

Liechtenstein and Switzerland shall apply this scheme in a manner that does not involve
discrimination, direct or indirect, between the products imported from the other States Parties
to this Agreement and like or substitute national products.
