a draft directive on supplementary pension rights of workers**

1. The EEA EFTA States welcome the invitation from the Commission to comment on the consultation documents prepared in relation with the planned proposal on a draft directive on supplementary pension rights of workers.
2. In general, we support the Commission's efforts in this field and hope that the EEA EFTA States will be invited to participate in the suggested Community Pension Forum.
3. EEA EFTA States would, furthermore, appreciate having the opportunity to discuss the content of the draft proposal itself with the Commission at a later stage.
