The host State may not require such declarations to refer to any specific amount of resources.

With regard to the condition of sufficient resources, Article 8(4) of Directive 2004/38/EC shall apply;

1. Where, in accordance with United Kingdom legislation, a person may be entitled to a retirement pension if:

- (a) the contributions of a former spouse are taken into account as if they were that person's own contributions; or
 - (b) the relevant contribution conditions are satisfied by that person's spouse or former spouse, then provided, in each case, that the spouse or former spouse is or had been exercising an activity as an employed or self-employed person, and had been subject to the legislation of two or more Member States, the provisions of Chapter 5 of Title III of this Regulation shall apply in order to determine entitlement under United Kingdom legislation. In this case, references in the said Chapter 5 to 'periods of insurance' shall be construed as references to periods of insurance completed by:
 - (i) a spouse or former spouse where a claim is made by:
 - a married woman, or
 - a person whose marriage has terminated otherwise than by the death of the spouse; or
 - (ii) a former spouse, where a claim is made by:
 - a widower who immediately before pensionable age is not entitled to widowed parent's allowance, or
 - a widow who immediately before pensionable age is not entitled to widowed mother's allowance, widowed parent's allowance or widow's pension, or who is only entitled to an age-related widow's pension calculated pursuant to Article 52(1)(b) of this Regulation, and for this purpose 'age-related widow's pension' means a widow's pension payable at a reduced rate in accordance with section 39(4) of the Social Security Contributions and Benefits Act 1992.
2. For the purposes of applying Article 6 of this Regulation to the provisions governing entitlement to attendance allowance, carer's allowance and disability living allowance, a period of employment, self-employment or residence completed in the territory of a Member State other than the United Kingdom shall be taken into account in so far as is necessary to satisfy conditions as to required periods of presence in the United Kingdom, prior to the day on which entitlement to the benefit in question first arises.
 3. For the purposes of Article 7 of this Regulation, in the case of invalidity, old-age or survivors' cash benefits, pensions for accidents at work or occupational diseases and death grants, any beneficiary under United Kingdom legislation who is staying in the territory of another Member State shall, during that stay, be considered as if he resided in the territory of that other Member State.
 4. Where Article 46 of this Regulation applies, if the person concerned suffers incapacity for work leading to invalidity while subject to the legislation of another Member State, the United Kingdom shall, for the purposes of Section 30A (5) of the Social Security Contributions and Benefits Act 1992, take account of any periods during which the person concerned has received, in respect of that incapacity for work:

- (i) cash sickness benefits or wages or salary in lieu thereof; or
- (ii) benefits within the meaning of Chapters 4 and 5 of Title III of this Regulation granted in respect of the invalidity which followed that incapacity for work, under the legislation of the other Member State, as though they were periods of short-term incapacity benefit paid in accordance with Sections 30A (1)-(4) of the Social Security Contributions and Benefits Act 1992.

In applying this provision, account shall only be taken of periods during which the person would have been incapable of work within the meaning of United Kingdom legislation.

5. (1) For the purpose of calculating an earnings factor in order to determine entitlement to benefits under United Kingdom legislation, for each week of activity as an employed person under the legislation of another Member State, and which commenced during the relevant income tax year within the meaning of United Kingdom legislation, the person concerned shall be deemed to have paid contributions as an employed earner, or have earnings on which contributions have been paid, on the basis of earnings equivalent to two-thirds of that year's upper earnings limit.

(2) For the purposes of Article 52(1)(b)(ii) of this Regulation, where:

- (a) in any income tax year starting on or after 6 April 1975, a person carrying out activity as an employed person has completed periods of insurance, employment or residence exclusively in a Member State other than the United Kingdom, and the application of point 5(1) above results in that year being counted as a qualifying year within the meaning of United Kingdom legislation for the purposes of Article 52(1)(b)(i) of this Regulation, he shall be deemed to have been insured for 52 weeks in that year in that other Member State;
- (b) any income tax year starting on or after 6 April 1975 does not count as a qualifying year within the meaning of United Kingdom legislation for the purposes of Article 52(1)(b)(i) of this Regulation, any periods of insurance, employment or residence completed in that year shall be disregarded.

(3) For the purpose of converting an earnings factor into periods of insurance, the earnings factor achieved in the relevant income tax year within the meaning of United Kingdom legislation shall be divided by that year's lower earnings limit. The result shall be expressed as a whole number, any remaining fraction being ignored. The figure so calculated shall be treated as representing the number of weeks of insurance completed under United Kingdom legislation during that year, provided that such figure shall not exceed the number of weeks during which in that year the person was subject to that legislation.”.
