

**Declaration by the EFTA States to Decision of the EEA Joint Committee No 102/2017 including  
Decision No 1386/2013/EU of the European Parliament and of the Council into Protocol 31 of  
the EEA Agreement**

The General Union Environment Action Programme to 2020 'Living well, within the limits of our planet' includes elements that fall outside the scope of the EEA Agreement. The EFTA States underline that the inclusion of the Programme in Protocol 31 of the Agreement is without prejudice to the scope of the EEA Agreement.
