Joint Declaration by the Contracting Parties to Decision of the Joint Committee No 248/2021 of
24 September 2021 incorporating Regulation (EU) 2016/796 of the European Parliament and of the
Council of 11 May 2016 on the European Union Agency for Railways and repealing Regulation (EC)
No 881/2004 into the EEA Agreement

Bearing in mind the two pillar system of the EEA Agreement and with regard to the transfer of power to the European
Union Agency for Railways to issue vehicle authorisations and single safety certificates, and approve European Rail Traffic
Management System tracks side equipment projects, for applicants in the EFTA States, as well as the arbitration procedure
provided for in disputes between national safety authorities of the EFTA States and the European Union Agency for
Railways, the Contracting Parties recognise that this solution does not create a precedence for future adaptations of EU acts
to be incorporated into the EEA Agreement.
