**Notes and derogations**

1. Chapter 7 shall not apply to service contracts which:

- (a) a contracting entity awards to an affiliated undertaking;
- (b) are awarded by a joint venture formed by a number of contracting entities for the purpose of carrying out a relevant activity within the meaning of sectors 1 through 4 of Appendix 3.B.a of this Annex to one of those contracting entities or to an undertaking which is affiliated with one of these contracting entities;

provided that at least 80 percent of the average turnover of that undertaking with respect to services arising within the EEA<sup>9</sup> for the three preceding years derives from the provision of such services to undertakings with which it is affiliated. When more than one undertaking affiliated with the contracting entity provides the same service or similar services, the total turnover deriving from the provision of services by those undertakings shall be taken into account.

2. The supply of drinking water to networks which provide a service to the public by a contracting entity other than a public authority shall not be considered as a relevant activity within the meaning of sectors 1 and 4 of Appendix 3.B.a of this Annex where:

- (a) the production of drinking water by the entity concerned takes place because its consumption is necessary for carrying out an activity other than that referred to in sectors 1 and 4 of Appendix 3.B.a of this Annex; and
- (b) supply to the public network depends only on the entity's own consumption and has not exceeded 30 percent of the entity's total production of drinking water, having regard to the average for the preceding three years, including the current year.

3. With regard to Appendix 3.B.a of this Annex, Chapter 7 shall not apply to the following contracts:

- (a) contracts which the contracting entities under sector 4 award for the purchase of water;
- (b) contracts which the contracting entities award for purposes other than the pursuit of their activities as described in Appendix 3.B.a of this Annex or for the pursuit of such activities in a non-EEA Member State;
- (c) contracts awarded for purposes of re-sale or hire to third parties provided that the contracting entity enjoys no special or exclusive right to sell or hire the subject of such contracts and that other entities are free to sell or hire it under the same conditions as the contracting entity;

1. the provision or operation of fixed networks intended to provide a service to the public in connection with the production, transport or distribution of drinking water or the supply of drinking water to such networks (as specified under Title I);
2. the operation of fixed networks providing a service to the public in the field of transport by tramway, trolleybus, bus or cable (as specified under Title II);
3. the exploitation of a geographical area for the purpose of the provision of airport or other terminal facilities to carriers by air (as specified under Title III);
4. the exploitation of a geographical area for the purpose of the provision of inland port or other terminal facilities to carriers by sea or inland waterway (as specified under Title IV).
5. the electricity sector

### **Title I. Production, transport or distribution of drinking water**

Public authorities and public undertakings producing, transporting and distributing drinking water. Such public authorities and public undertakings are operating under local legislation or under individual agreements based thereupon.

---

<sup>10</sup> Public authorities means the State, regional or local authorities, bodies governed by public law, or associations formed by one or more of such authorities or bodies governed by public law. A body is considered to be governed by public law where it:

- is established for the specific purpose of meeting needs in the general interest, not being of an industrial or commercial nature;
- has legal personality; and
- is financed for the most part by the State, or regional or local authorities, or other bodies governed by public law, or is subject to management supervision by those bodies, or has an administrative, managerial or supervisory board more than half of whose members are appointed by the State, regional or local authorities, or other bodies governed by public law.

<sup>11</sup> Public undertakings means any undertaking over which the public authorities may exercise directly or indirectly a dominant influence by virtue of their ownership of it, their financial participation therein, or the rules which govern it. A dominant influence on the part of the public authorities shall be presumed when these authorities, directly or indirectly, in relation to an undertaking:

- hold the majority of the undertaking's subscribed capital; or
- control the majority of the votes attaching to shares issued by the undertaking; or
- can appoint more than half of the members of the undertaking's administrative, managerial or supervisory body.

**Notes and derogations**

Chapter 7 shall not apply to:

1. contracts which the contracting entity awards for purposes other than the pursuit of their activities as described in Appendix 3.B.b of this Annex;
2. contracts awarded for purposes of re-sale or hire to third parties, provided that the contracting entity enjoys no special or exclusive right to sell or hire the subject of such contracts and other entities are free to sell or hire it under the same conditions as the contracting entity;
3. contracts for the purchase of water;
4. contracts of contracting entities other than a public authority exercising the supply of drinking water to networks which provide a service to the public, if they produce these services by themselves and consume them for the purpose of carrying out other activities than those described under Title I of Appendix 3.B.b of this Annex and provided that the supply to the public network depends only on the entity's own consumption and does not exceed 30 percent of the entity's total production of drinking water, having regard to the average for the preceding three years;
5. contracts awarded by contracting entities providing a bus service if other entities are free to offer the same service either in general or in a specific geographical area and under the same conditions.

**c. Kingdom of Norway**

**List of Sectors:**

1. *Urban transport:*

Public entities which have as one of their activities the operation of networks providing a service to the public in the field of transport by tramway, trolley bus, bus or cable according to Lov om anlegg og drift av jernbane, herunder sporvei, tunellbane og forstadsbane m.m. (LOV 1993-06-11 100), or Lov om samferdsel (LOV 1976-06-04 63) or Lov om anlegg av taugbaner og løipestrenger (LOV 1912-06-14 1).

- Stavanger kommune (Vann og avløpsetaten)
- Tromsø Kommune (Vann og avløpsetaten)
- Sarpsborg kommune (Vann og avløpsetaten)

## Notes and derogations

1. Chapter 7 shall, provided that the conditions in paragraph 2 are met, not apply to contracts awarded:
  - (a) by a contracting entity to an affiliated undertaking, or
  - (b) by a joint venture, formed exclusively by a number of contracting entities for the purpose of carrying out activities within the meaning of Articles 3 to 7, to an undertaking which is affiliated with one of these contracting entities.
  
2. Paragraph 1 shall apply:
  - (a) to service contracts provided that at least 80 % of the average turnover of the affiliated undertaking with respect to services for the preceding three years derives from the provision of such services to undertakings with which it is affiliated<sup>12</sup>;
  - (b) to supplies contracts provided that at least 80 % of the average turnover of the affiliated undertaking with respect to supplies for the preceding three years derives from the provision of such supplies to undertakings with which it is affiliated;
  - (c) to works contracts provided that at least 80 % of the average turnover of the affiliated undertaking with respect to works for the preceding three years derives from the provision of such works to undertakings with which it is affiliated. When, because of the date on which an affiliated undertaking was created or commenced activities, the turnover is not available for the preceding three years, it will be sufficient for that undertaking to show that the turnover referred to in sub-paragraphs (a), (b) or (c) is credible, particularly by means of business projections. Where more than one undertaking affiliated with the contracting entity provides the same or similar services, supplies or works, the above percentages shall be calculated taking into account the total turnover deriving respectively from the provision of services, supplies or works by those affiliated undertakings.
  
3. This Chapter shall not apply to contracts awarded:

---

<sup>12</sup> 'Affiliated undertaking' means any undertaking the annual accounts of which are consolidated with those of the contracting entity or any undertaking over which the contracting entity may exercise, directly or indirectly, a dominant influence or which may exercise a dominant influence over the contracting entity or which, in common with the contracting entity, is subject to the dominant influence of another undertaking by virtue of ownership, financial participation, or the rules which govern it.

- (a) by a joint venture, formed exclusively by a number of contracting entities for the purpose of carrying out activities within the meaning of this Annex, to one of these contracting entities, or
- (b) by a contracting entity to such a joint venture of which it forms part, provided that the joint venture has been set up in order to carry out the activity concerned over a period of at least three years and that the instrument setting up the joint venture stipulates that the contracting entities, which form it, will be part thereof for at least the same period.

4. The supply of drinking water to networks which provide a service to the public by a contracting entity other than a public authority shall not be considered as a relevant activity within the meaning of sectors 1 and 4 of Appendix 3.B.c of this Annex where:

- (a) the production of drinking water by the entity concerned takes place because its consumption is necessary for carrying out an activity other than that referred to in sectors 1 and 4 of Appendix 3.B.c of this Annex, and
- (b) supply to the public network depends only on the entity's own consumption and has not exceeded 30 percent of the entity's total production of drinking water, having regard to the average for the preceding three years, including the current year.

5. With regard to Appendix 3.B.c of this Annex, Chapter 7 shall not apply to the following contracts:

- (a) contracts which the contracting entities under sector 4 award for the purchase of water;
- (b) contracts which the contracting entities award for purposes other than the pursuit of their activities as described in Appendix 3.B.c of this Annex or for the pursuit of such activities in a non-EEA Member State;
- (c) contracts awarded for purposes of re-sale or hire to third parties provided that the contracting entity enjoys no special or exclusive right to sell or hire the subject of such contracts and that other entities are free to sell or hire it under the same conditions as the contracting entity;
- (d) contracting entities exercising activities in the bus transportation sector where other entities are free to offer the same services in the same geographical area and under substantially the same conditions.

6. Chapter 7 does not apply to procurement subject to secrecy or other particular restrictions with regard to the safety of the realm.

7. When a specific procurement may impair important national policy objectives, the Norwegian Government may consider it necessary in singular procurement cases to

deviate from the principle of national treatment in Chapter 7. A decision to this effect will be taken at the Norwegian Cabinet level.

8. Norway reserves its position with regard to the application of Chapter 7 to Svalbard, Jan Mayen Island and Norway Antarctic possessions.

**d. Swiss Confederation**

**List of Entities:**

The contracting entities which are public authorities<sup>13</sup> or public undertakings<sup>14</sup> and which have as at least one of their activities any of those referred to below:

1. the provision or operation of fixed networks intended to provide a service to the public in connection with the production, transport or distribution of drinking water or the supply of drinking water to such networks (as specified under Title I);
2. the operation of fixed networks providing a service to the public in the field of transport by tramway, trolleybus, bus or cable (as specified under Title II);
3. the exploitation of a geographical area for the purpose of the provision of airport or other terminal facilities to carriers by air (as specified under Title III);
4. the exploitation of a geographical area for the purpose of the provision of inland port or other terminal facilities to carriers by inland waterway (as specified under Title IV).
5. the electricity sector

<sup>13</sup> Public authorities means the State, regional or local authorities, bodies governed by public law, or associations formed by one or more of such authorities or bodies governed by public law. A body is considered to be governed by public law where it:

- is established for the specific purpose of meeting needs in the general interest, not being of an industrial or commercial nature;
- has legal personality; and
- is financed for the most part by the State, or regional or local authorities, or other bodies governed by public law, or is subject to management supervision by those bodies, or has an administrative, managerial or supervisory board more than half of whose members are appointed by the State, regional or local authorities, or other bodies governed by public law.

<sup>14</sup> Public undertakings means any undertaking over which the public authorities may exercise directly or indirectly a dominant influence by virtue of their ownership of it, their financial participation therein, or the rules which govern it. A dominant influence on the part of the public authorities shall be presumed when these authorities, directly or indirectly, in relation to an undertaking:

- hold the majority of the undertaking's subscribed capital; or
- control the majority of the votes attaching to shares issued by the undertaking; or
- can appoint more than half of the members of the undertaking's administrative, managerial or supervisory body.

## **Title I. Production, transport or distribution of drinking water**

Public authorities and public undertakings producing, transporting and distributing drinking water. Such public authorities and public undertakings are operating under local or cantonal legislation or under individual agreements based thereupon.

Examples:

- Wasserverbund Regio Bern AG (association of local authorities in the region of Berne).
- Hardwasser AG (association of local authorities in the region of Basle).
- There are similar entities in other Swiss cities.

## **Title II. Transport by tramway, trolley bus, bus or cable services**

Public authorities and public undertakings providing tramways services pursuant to Article 2, paragraph 1 of the "loi fédérale du 20 décembre 1957 sur les chemins de fer".

Public authorities and public undertakings for the public transport providing services pursuant to Article 4, paragraph 1, of the "loi fédérale du 29 mars 1950 sur les entreprises de trolleybus".

Swiss undertakings providing post, telephone and telegraph services pursuant to Article 2 of the "loi fédérale du 18 juin 1993 sur le transport de voyageurs et les entreprises de transport par route".

Public authorities and public undertakings which carry out on a professional basis regular transports of persons according to a timetable, pursuant to Article 4 of the "loi fédérale du 18 juin 1993 sur le transport de voyageurs et les entreprises de transport par route".

Example:

- *Transports publics Genevois*: Provides transport services in the city of Geneva.

## **Title III. Airports**

Airports operated by virtue of a licence pursuant to Article 37 of the "loi fédérale du 21 décembre 1948 sur la navigation aérienne" as far as they are public authorities and public undertakings.

Examples:

- Flughafen Zürich: Main airport of Switzerland
- Aéroport de Genève-Cointrin.
- Aérodrome civil de Sion.

#### **Title IV. Inland ports**

Rheinhäfen beider Basel : for the Canton of Basel set up by the "loi du 13 novembre 1919 concernant l'administration des installations portuaires rhénanes de la ville de Bâle"; for the Canton of Basel-Landschaft set up by the "loi du 26 octobre 1936 sur la mise en place d'installations portuaires, de voies ferroviaires et de routes sur le "Sternenfeld" à Birsfelden, et dans l' "Au" à Muttenz".

Example:

- Ports in the region of Basle ("Rheinhäfen beider Basel").

#### **Notes and derogations**

Chapter 7 shall not apply:

1. to contracts which the contracting entity awards for the purpose other than the pursuit of their activities as described in Appendix 3.B.d of this Annex or for the pursuit of such activities beyond Switzerland;
2. to contracts awarded for purposes of re-sale or hire to third parties, provided that the contracting entity enjoys no special or exclusive right to sell or hire the subject of such contracts and other entities are free to sell or hire it under the same conditions as the contracting entity;
3. to contracts for the purchase of water;
4. to contracts of contracting entities other than a public authority exercising the supply of drinking water to networks which provide a service to the public, if they produce these services by themselves and consume them for the purpose of carrying out other activities than those described under Appendix 3.B.d of this Annex. Furthermore, the supply to the public network depends only on the entity's own consumption and has not exceeded 30 percent of entity's total production of drinking water, having regard to the average for the preceding three years;
5. to contracts of contracting entities exercising activities in the bus transportation sector where other entities are free to offer the same services in the same geographical area and under substantially the same conditions.

## **Notes and derogations**

Chapter 7 shall not apply to:

1. service contracts awarded to an entity which is itself a procuring entity listed in Appendices 1.B.d, 2.B.d and 3.B.d of this Annex on the basis of an exclusive right which it enjoys pursuant to a published law, regulation or administrative provision;
  2. service contracts which a contracting entity awards to an affiliated undertaking or which are awarded by a joint venture formed by a number of contracting entities for the purpose of carrying out an activity within the meaning of Appendix 3.B.d of this Annex or to an undertaking which is affiliated with one of these contracting entities. At least 80 percent of the average turnover of that undertaking for the preceding three years has to derive from the provision of such services to undertakings with which it is affiliated. Where more than one undertaking affiliated with the contracting entity provides the same service, the total turnover deriving from the provision of services by those undertakings shall be taken into account;
  3. contracts for the acquisition, development, production or co-production of programme material by broadcasters and contracts for broadcasting time.
  4. contracts for research and development services other than those where the benefits accrue exclusively to the entity for its use in the conduct of its own affairs, on condition that the service is wholly remunerated by the entity.
