

APPENDIX 3 TO ANNEX XVI

LIECHTENSTEIN - SCHEDULE OF SPECIFIC COMMITMENTS

1. This Schedule of Specific Commitments shall apply to non-services sectors only. Services sectors shall be covered by Chapter 3 (Trade in Services) of the Agreement. It is understood that services specifically exempted from the scope of Chapter 3 (Trade in Services) of the Agreement do not fall under the scope of this Schedule of Specific Commitments. Therefore, the list of commitments below only covers activities which fall under the scope of Chapter 4 (Investment) of the Agreement. Where a listed sector or sub-sector also contains an element of supply of services, only the non-services aspects of the sector or sub-sector shall be committed in this list.

2. The list of commitments below indicates the sectors liberalised pursuant to Article 4.5 (Schedule of Specific Commitments) of the Agreement and, by means of reservations, the national treatment conditions and qualifications that apply to juridical and natural persons of Indonesia, and to the commercial presence of such persons in those sectors. The list below is composed of the following elements:

- (a) the first column indicates the sector or sub-sector in which the commitment is undertaken by Liechtenstein, and the scope of liberalisation to which the reservations apply; and
- (b) the second column describes the applicable reservations.

Sectors or sub-sectors not mentioned in the list below are not committed.

3. In identifying individual sectors and sub-sectors, for the purposes of this Appendix, "ISIC Rev 4" means the International Standard Industrial Classification of all Economic Activities as set out in Statistical Office of the United Nations, Statistical Papers, Series M No. 4/Rev.4.

4. Notwithstanding Article 4.4 (National Treatment) of the Agreement, non-discriminatory requirements as regards the type of legal form of an establishment does not need to be specified in the below list of commitments in order to be maintained or adopted by Liechtenstein.
