PROTOCOL C

REFERRED TO IN ARTICLE 10

Article 10 of this Agreement shall apply to Liechtenstein and Switzerland with regard to State monopolies concerning salt only to the extent that these States will have to fulfil corresponding obligations under their trade relations with the European Community and the EFTA States.

MACEDONIA

Macedonia shall progressively adjust any state monopoly of a commercial character referred to in Article 10 of this Agreement so that at the latest by the end of the third year following the date of entry into force of this Agreement, no discrimination regarding the conditions under which goods are procured and marketed will exist in Macedonia between nationals of Macedonia and the EFTA States. The Joint Committee will be informed of the measures adopted to implement these objectives.
