

APPENDIX 1 TO ANNEX XIV

REFERRED TO IN ARTICLE 7.1 (SCOPE AND COVERAGE)

PUBLIC WORKS CONCESSIONS

1. For the purposes of this Appendix, “public works concessions” means a contract of the same type as construction services contracts, except for the fact that the remuneration for the works to be carried out consists of the right to exploit the construction or of this right together with a payment.
 2. Public works concessions shall be covered by the entities of Iceland, Liechtenstein, Norway and Ukraine as listed in the Annexes of each Party to Appendix 1 of the GPA 2012 and provided their value equals or exceeds SDR 5,000,000.
 3. For public works concessions, Switzerland shall grant Ukraine treatment no less favourable than that accorded to any non-Party following new obligations undertaken by Switzerland at the international level in the area of government procurement.
